*** Open House Sunday, June 8, 2p-4p***

Welcome to this detached single family home where European design meets family life with style, set on a rare 30' x 120' lot and directly facing Grafton park that is home to the Glamorgan community association and St Andrew school. This isn't your average home – it's a bespoke creation for those who appreciate form, function, and a little flair. Inside, light pours through floor-to-ceiling glass, illuminating a carefully curated palette of clean lines, warm textures, and architectural finesse. The kitchen is a centrepiece, with sleek cabinetry, artful appliances, and a generously sized island begging for lazy Sunday breakfasts or entertaining guests. Stay Cool in this air conditioned Masterpiece. Flow is everything here – from the open-plan living and dining spaces to the tucked-away home office nook (because real life includes Zoom calls and school projects). The mudroom is a godsend – think built-ins that actually keep chaos at bay. Upstairs, the primary suite features a private balcony, a seven-piece ensuite that could moonlight as a spa (steam shower, rain head, body sprays, heated floors, freestanding tub – yes, all of it), and a dressing room with vanity that whispers "come time" every morning. The second floor is finished with another two well sized bedrooms. Downstairs, the lower level is equal parts grown-up sanctuary and family fun zone – with a stylish media lounge, designer wet bar, beverage fridge, guest-ready

4th bedroom, and luxe 4th bath. For those who crave city living with a quiet neighbourhood, and a home thatâ€™s as considered as it is comfortable, this is your forever hideaway.
