This top floor unit has designer-quality renovations and amazing views of the city skyline and valley. It's rare to find this combination of great location and great condition. The open plan has wall to wall windows framing the views and hard-surface flooring throughout including large-scale porcelain tile and complimentary wood-laminate flooring. Large and bright living space with power/cable for a TV and access out to the 31' long balcony. The dining space has a niche for a side table and power to drop a light fixture if desired. Stylish kitchen with amazing storage and workspace. Sculpted-oak uppers and modern flat white cabinetry blend with stone counters and marble backsplash. Kitchen storage includes a broom closet, recycling and pull-out pantry. Entry features a display niche with spotlight/shelves and an entry closet. Generous bedroom with fantastic views, custom black-out drapes and excellent closet with pull-out drawers. Sparkling new bath with soaking tub-shower combination (glass panel to eliminate shower curtain) and additional storage unit.
