2 Bedroom, 3.00 Bathroom, 1,483 sqft

Residential on 0.00 Acres

Tuscany, Calgary, Alberta

Price Just Reduced! This sunny, south-facing townhouse has a great setup and feels more like a single-family home than part of a big complex. Out front, youâ€™ve got a private, fenced patio with poured concrete and just enough tree coverage for shade and privacy. Itâ€™s the perfect spot to soak up some sun or fire up the barbecue.

Inside, thereâ€™s a tiled mudroom right off the double attached garage, which easily fits two vehicles and has epoxy floors. The main level is open and bright with hardwood floors, a big kitchen island, gas stove, and plenty of windows that bring in tons of natural light. Thereâ€™s also a handy two-piece bathroom on this level.

Upstairs, both bedrooms have their own walk-in closets and ensuite bathrooms, which is a great setup for roommates or guests. Thereâ€™s also a small den at the top of the stairs that makes a nice home office or reading spot.

The south-facing deck looks onto single-family homes and even has a bit of a mountain view. Youâ€™ve got a gas line for your barbecue and central air conditioning to keep things cool in the summer.

The complex is well-run, with recent roof replacements and good management. Youâ€™ll love living in Tuscanyâ€”close to the

mountains, great schools, shopping, and easy access to the ring road.
